RANKING NOTES

N.A.=Not available
Publicly held companies pulled from our six processors rankings, where revenue is derived mostly from plastics.
Figures were pulled from available annual

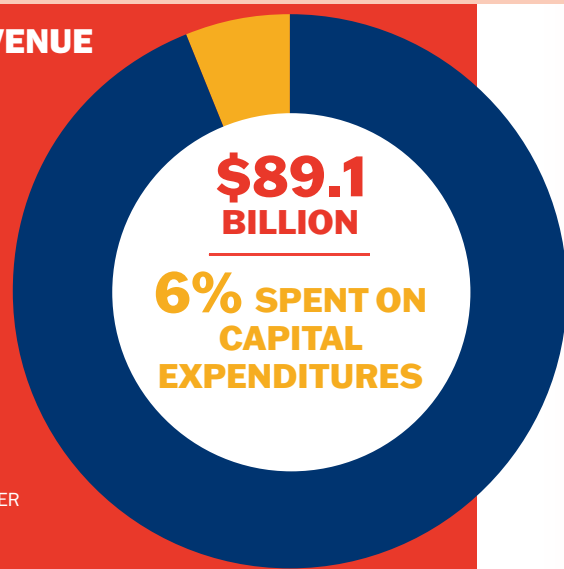

reports or other filings.
Capital expenditure figures reported in foreign currencies have been converted to U.S. dollars using the average annual exchange rate for the 12 months of each company's

fiscal year.
Listed as Property/Plants/Equipment or Cash Flows investments for tangibles, whenever possible amounts exclude acquisition funds.
All companies' fiscal year corresponds

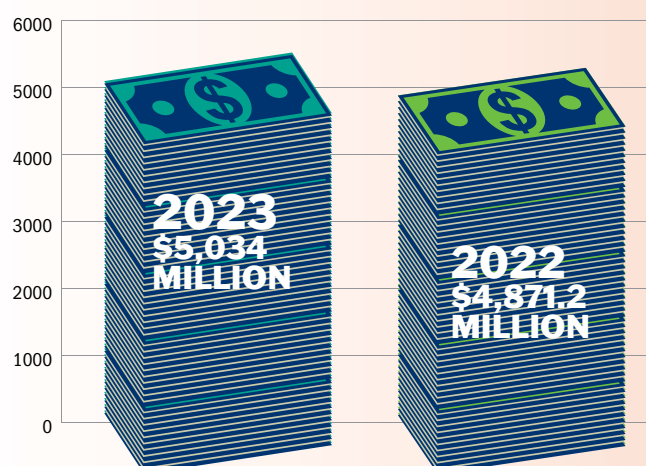

to calendar year 2023 unless otherwise noted.
Historical share pricing data, using close figures, sourced from www.nasdaq.com
